

# Adventure *begins here.*

**H**auling a boat to fish or explore those hidden lakes and secret waterways used to be an ordeal - or simply impossible. Not any more! Thanks to Foldlite's innovative design breakthroughs, you can take a boat virtually anywhere. Foldlite watercraft are not only lightweight, but extremely strong, stable, maneuverable, and easy to assemble. This is no flimsy inflatable or skin stretched over a frame, but a true rigid hull watercraft.
